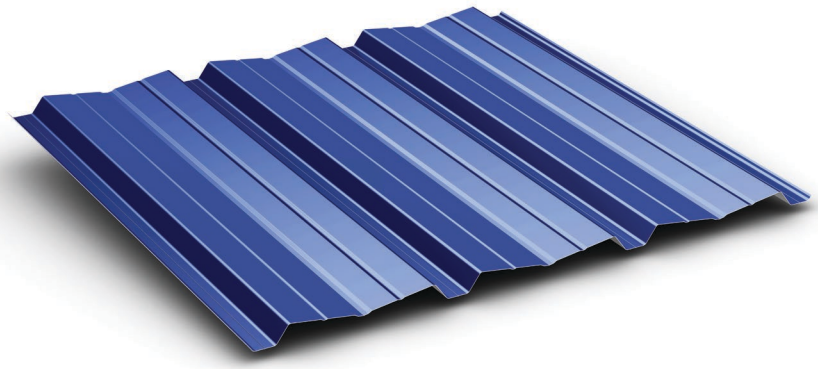
R-Panel

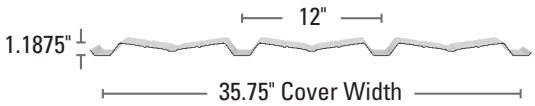
R-Panel is a multi-use roof and wall panel used primarily in pre-engineered metal building applications.

Note: Also available, R-Panel with purlin bearing leg

Multi-V

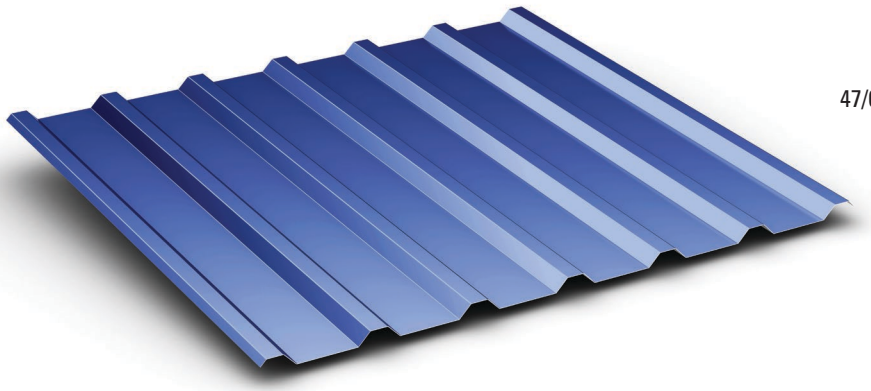
Multi-V is an exposed fastener wall panel that is designed so that fasteners are placed in the valleys, making them visually less apparent.

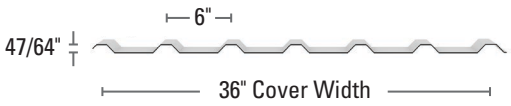




U-Panel

U-Panel is an exposed fastener wall and roof panel that is also used extensively as a liner or partition panel.





Note: Also available, U-Panel with non-purlin bearing leg
